FLOORS

Production designed and installed by Michael Panepento of Alabama Music & Audio Supervision. The EAW system has been featured in FOH Magazine, Live Design, and MONDO*DR. **One venue, two floors:** the main audio system is transferable between the Main Stage downstairs and The Social upstairs, with a smaller permanent install in The Social for events that keep the main rig in place.

AUDIO — MAIN SYSTEM (transferable)

Console	Midas M32 with DL32 Stagebox
Mains	EAW RSX129 — Powered LCR Configuration
Subwoofers	EAW SB1000z with Lab Gruppen FP10000 Amplifiers
Delays / Fill	EAW RSX86
Monitoring	IEM only — Shure PSM300 (artists bring own earbuds)
Microphones	Assorted mics / DIs + 2 handheld wireless
Stands	Assorted K&M stands (wired)

AUDIO — 2ND FLOOR INSTALL
